The Outreach program will still be ongoing whilst the COVID-19 pandemic is still ongoing. Another email will be sent out every four weeks to all branch members over 70 years of age, but the program is for anyone with underlying illnesses that require it.

**4. Welfare Update**

Branch Welfare have not had any Members or other members of the RAF family referred for support in the last month. However, the normal RAFA Welfare Regions are continuing to work well and a combination of the lockdown and other local and community support becoming available is allowing RAFA to clear a significant backlog of cases albeit that some cases that require OT assessments or quotes are on hold for the time being.
